### **A. Part I, Interstate Moves;**

Graebel will apply a discount of 65% to tariff 400N 104G rates, excluding Advanced Charges, Valuation and Storage-in-Transit (storage-in-transit, delivery to/from storage). For storage-related charges, Graebel will apply a discount of 65% if storage is performed at our Graebel/Albuquerque location and a discount of 50% if storage at any other Graebel location.

For shipments going to or from Canada, Graebel will apply a discount of 50% of tariff charges for services performed in points in Canada, excluding Advanced Charges, Valuation and storage-related charges and a discount of 30% will apply for storage-related charges in Canada.

#### **Vehicle Transport Service**

Graebel will provide automobile transport service, which includes the loading, door-to-door transportation, and unloading of motor vehicles. Motor vehicles include automobiles, vans, van conversions, and pickup trucks. This item does not include motor homes, mini motor homes, or motorcycles.

In lieu of the rates and charges in Tariffs STB HGB 400-N and STB HGB 104-G, Graebel; will apply a flat rate charge based on the schedule in the contract on file in Purchasing. The rates will apply whether the vehicle is transported via car carrier or Graebel's van. Load and delivery dates may be different than those for the household goods.

### **B. Part II, Intra-state and Local Moves**
