

Transferring to The University of New Mexico from Clovis Community College (2007-2009 Catalog)

Revised 10/13/08

The University of New Mexico and Clovis Community College work closely together to ease your transition from CCC to UNM. This information is provided to assist you in planning a transfer program.

Satisfactory completion (grade of "C" or "CR") in Eng 095 or 097, Math 098, and Read 097 will satisfy UNM Introductory Studies requirements. However, these hours will not transfer, nor be counted toward any degree program since they are college-preparatory courses.

While UNM does not ordinarily transfer technical or occupational coursework, the College of Education developed a baccalaureate degree program in Organizational Learning and Instructional Technologies for students who have earned associate of applied science degrees in certain fields. The program, which provides quality education for individuals interested in improving the learning experiences of adults in corporate settings, allows a maximum transfer of credits from approved technical disciplines in community colleges and post-secondary technical institutes. For additional information, contact 277-3657 or 277-4131.

For the most current transfer information this guide is available on-line and updated as necessary; check the UNM website: www.unm.edu, click on "Future Students" and follow the links to "How to Transfer to UNM."

Unless otherwise indicated, the following courses, with a minimum grade of “D”, are fully transferable to UNM. (Some classes must be completed with a “C” grade in order to fulfill prerequisite or degree requirements.) Where applicable, courses are cross-listed with their UNM equivalents. In most situations where more than one course is required to meet the UNM equivalent, the excess transfer hours will be applied to general university electives. If there is no equivalent UNM course number listed, the class may or may not be applied toward core requirements or as elective credit in a degree program.

Transfer courses that list University of New Mexico equivalencies have been approved by the departments offering the respective courses at UNM. Transferring courses that do not list UNM equivalencies may or may not satisfy specific degree requirements. You must check with department, college, or school advisors to see if these courses apply to your specific degree program.

The provisions of this transfer guide are not to be regarded as an irrevocable contract between the student and the University. The University reserves the right to change any provisions or requirements at any time.

Biology

The Department of Biology at UNM has recently revised its introductory sequence for Biology Majors. BIOL 121L, 122L, 219 and 221 have been phased out and a new sequence of courses has begun. The new courses are BIOL 201 (Molecular and Cell Biology), BIOL 202 (Genetics), BIOL 203L (Ecology and Evolution) and BIOL 204L (Plant and Animal Form and Function). Students who take courses equivalent to the old curriculum will still receive Biology credit at UNM. If the equivalent of the old curriculum is completed by June 2005, no additional introductory courses will be required. If courses equivalent to all or part of the old curriculum are completed after June 2005, credit will be given, but some additional introductory courses will also be required. For further information, please contact the Department of Biology at 277-4392.

BIOL 113 (BIOL 1114)	Biology for General Education and Lab	BIOL 110&112L (BIOL 1114)
BIOL 115 (BIOL 1124)	Human Biology and Lab	Transfers
BIOL 211	Human Anatomy and Physiology I and Lab	BIOL 237 & 247L
BIOL 212	Human Anatomy and Physiology II and Lab	BIOL 238
BIOL 222	Microbiology and Lab	BIOL 239L
BIOL 268	Workshop in Biology	Transfers
BIOL 293	Topics in Biology	Transfers

Business Administration

Please note that transferability does not ensure meeting specific degree requirements. *MGTN (Management for non-majors)* is the designation for transferable courses that do not meet degree requirements at the University of New Mexico Anderson Schools of Management. Only transferable courses are listed. Contact the Anderson School of Management at 277-3888 for more information.
