

Unless otherwise indicated, the following courses, with a minimum grade of “D”, are fully transferable to UNM. Some classes must be completed with a “C” or better in order to fulfill prerequisite or degree requirements. *Please note that course transferability does not ensure meeting specific degree requirements.* Where applicable, courses are cross-listed with their UNM equivalents. In most situations where more than one course is required to meet the UNM equivalent, the excess hours will be applied to general university electives. If there is no equivalent UNM course number listed, the class may or may not be applied toward core requirements or as elective credit in a degree program.

Mesalands CC courses that list The University of New Mexico equivalencies have been approved by the departments offering the respective courses at UNM. Transfer courses that do not list UNM equivalencies may or may not satisfy specific degree requirements. You *must* check with department, college, or school advisors at UNM to see if these courses apply to your degree program.

The provisions of this transfer guide are not to be regarded as an irrevocable contract between the student and The University. The University reserves the right to change any provisions or requirements at any time.

4 LETTER DISCIPLINES WITH 4 NUMBERS IN PARENTHESIS SIGNIFY
THE NEW MEXICO COMMON CORE DISCIPLINE AND NUMBER (NMCCN)

ART 293	Special Topics	Transfers

Biology

The Department of Biology at UNM has recently revised its introductory sequence for Biology Majors. BIOL 121L, 122L, 219 and 221 have been phased out and a new sequence of courses has begun. The new courses are BIOL 201 (Molecular and Cell Biology), BIOL 202 (Genetics), BIOL 203L (Ecology and Evolution) and BIOL 204L (Plant and Animal Form and Function). Students who take courses equivalent to the old curriculum will still receive Biology credit at UNM. If the equivalent of the old curriculum is completed by June 2005, no additional introductory courses will be required. If courses equivalent to all or part of the old curriculum are completed after June 2005, credit will be given, but some additional introductory courses will also be required. For further information, please contact the Department of Biology at 277-1404.

Mesalands Course

		UNM Equivalent
BIOL 113 (BIOL 1114)	Introduction to Biology	BIOL 110/112L (BIOL 1114)
