

Unless otherwise indicated, the following courses, with a minimum grade of “D”, are fully transferable to UNM. (Some classes must be completed with a “C” grade in order to fulfill prerequisite or degree requirements.) Where applicable, courses are cross-listed with their UNM equivalents. In most situations where more than one course is required to meet the UNM equivalent, the excess transfer hours will be applied to general university electives. If there is no equivalent UNM course number listed, the class may or may not be applied toward core requirements or as elective credit in a degree program.

Transfer courses that list University of New Mexico equivalencies have been approved by the departments offering the respective courses at UNM. Transferring courses that do not list UNM equivalencies may or may not satisfy specific degree requirements. You must check with department, college, or school advisors to see if these courses apply to your specific degree program.

*The provisions of this transfer guide are not to be regarded as an irrevocable contract between the student and the University. The University reserves the right to change any provisions or requirements at any time.*

**Biology**

The Department of Biology at UNM has recently revised its introductory sequence for Biology majors. BIOL 121L, 122L, 219, and 221 have been phased out and a new sequence of courses has begun. The new courses are Biology 201 (Molecular and Cell Biology), BIOL 202 (Genetics), BIOL 203L (Ecology and Evolution) and BIOL 204L (Plant and Animal Form and Function). Students who take courses equivalent to the old curriculum will still receive Biology credit at UNM. If the equivalent of the old curriculum is completed by June 2005, no additional introductory courses will be required. If the courses equivalent to all or part of the old curriculum are completed after June 2005, credit will be given, but some additional introductory courses will also be required. For further information please contact the Department of Biology at 277-4392.
