OGS Admission Deferral Request Form

Offers of admission are made only for the semester for which the student has applied. Students who do not enroll during the semester for which admission is granted will forfeit their admission, unless they submit to the graduate unit and the OGS a written request for deferral no later than the Friday of the third week of classes of the semester of admission. A deferral is limited to a period within one calendar year. After one year's deferral period a student must reapply. Final approval for the requested deferral is made by the Dean of Graduate Studies.
