\* As you can see, Giving is high in a lot of things that are great, and low in a lot of things that are not.

**Three Ways to Give:**

1. Give to the Community Fund, which combines your gift with gifts of other donors for the greatest impact in helping the most vulnerable people in our community.
2. You can give to the 501(c)(3) nonprofit of your choice, anywhere in the world.
3. You can give to both!
