

Safety & Security 2006-2007

U N M P O L I C E

SAFETY: YOU MAKE THE DIFFERENCE

Your safety and security are of prime concern at The University of New Mexico and we at the UNM Police Department are working hard to ensure the campus is a safe place to live, learn, work and play. UNM is not, however, exempt from crime. We are doing our part to prevent crimes, but to be safe and secure, YOU must take common sense precautions, be alert and look out for others. Maintaining an effective police department is a community effort, and together we can ensure UNM remains safe.

UNM: PART OF A LARGER COMMUNITY

The University of New Mexico Main Campus located in Albuquerque, New Mexico is a community of approximately 26,500 students and 13,000 permanent faculty and staff. Visitors come to our campus to attend lectures, symposia, concerts, plays, sporting activities and other events. Our 769-acre campus is surrounded by the City of Albuquerque, a metropolitan area with approximately 640,000 residents. Even with our large and constantly changing population, we have maintained an extremely low crime rate.

MISSION

The mission of the University of New Mexico Police Department is to provide the University with exceptional police services for the preservation of human rights and the protection of people and property. These services will be provided with an emphasis on proactive measures, minimizing the need for reactive responses. We will strive for positive interaction with outside agencies and maintain a strong, cooperative relationship with the community by respecting differences and fostering a better understanding through communication.

HOW UNM PROTECTS YOU

The UNM Police Department is here to protect you and offers numerous services to ensure your safety.

The UNM Police Department is open 24 hours a day, 365 days a year to respond to your needs. All UNM police officers are required to meet state certification standards mandated by the New Mexico Department of Public Safety. UNM Police officers are commissioned by The University of New Mexico Board of Regents (Section 29-5-2 NMSA 1978). They have full power of peace officers on campus, including the authority to enforce all applicable laws, ordinances and campus traffic regulations, and the authority to arrest. Officers are also commissioned through the Bernalillo County Sheriff's Department.

The UNM Police Department investigates complaints of on-campus criminal activity, working closely with the District Attorney's Office to ensure effective prosecution. Through an agreement with the Albuquerque Police Department, UNM Police enforce Federal and State laws and regulations in the fraternity/sorority and student housing areas.

UNM Police encourage students, faculty, staff and visitors to promptly report all crimes. Crimes occurring on campus should be reported to UNM Police at 277-2241. Crimes committed off the UNM Campus should be reported to the appropriate police agency (Albuquerque Police Department, Bernalillo County Sheriff's Office, etc.).

In an emergency you may dial 911. The 911 system automatically traces the location of all calls, which enables officers to respond even when a caller cannot provide the location. When you are on campus and dial 911, your call will be received by the UNM Police Department, and if you are off-campus, the call will be received by the Albuquerque Police Department. Outside of the Albuquerque Metro area, you will reach the appropriate law enforcement agency where the 911 System is utilized.

Special telephones providing emergency services for the deaf are placed at various locations on the UNM campus. The University Police Department is equipped with a Telephone Device for the Deaf (TDD), 277-0888 for 24-hour service.

Emergency telephones which are direct lines to the Police Communications Office are located throughout the UNM campus. You may use the emergency telephone by opening the telephone box and pressing the button. The Police Dispatcher will answer the telephone promptly, and you will be able to relate the nature of your emergency. Also, a blue light over the telephone will flash for the duration of the call to assist emergency personnel in locating the caller. We ask that you call 277-2241 to report non-emergencies. Emergency telephones will not enable you to make calls other than directly to the Police Dispatcher as an EMERGENCY.

If the UNM Police Department receives information that a crime has occurred which represents a continued threat to the campus community, notices and instructions will be delivered to students and employees in an effort to prevent similar crimes. Information will be conveyed through the campus newspaper, The Daily Lobo; through electronic communications such as the UNM News Minute, Inside UNM and e-mail alerts; and orally or through other appropriate means.

SEX OFFENDER REGISTRATION

In accordance with the Campus Sex Crimes Prevention Act of 2000 (CSPA), the UNM Police Department is providing a link to the New Mexico

Department of Public Safety for law enforcement agency information concerning registered sex offenders. The CSPA requires institutions of higher education to inform the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also mandates that sex offenders who are required to register in a State must also give notice of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. Additionally, the New Mexico Sex Offender Registration and Notification Act requires a convicted sex offender who is employed by, enrolled at, volunteering with or carrying on a vocation at an institution of higher education to register with the university's law enforcement department, the university registrar, the county sheriff for the county in which the higher education institution is located as well as the county sheriff for the county in which the sex offender resides.

Registration at UNM is administered by the UNM Police Department (Hokona Hall, 2500 Campus Blvd NE) and the Registrar's Office (Student Services Center Room 261). The registration form is available online at police.unm.edu/sex_offenders.htm.

A list of registered sex offenders is available online from the New Mexico Department of Public Safety at www.nmsexoffender.dps.state.nm.us/ or by calling the Bernalillo County Sheriff's Department at (505) 768-4100.

Buildings on campus are generally open during regular business hours, when class is in session and for special events. Persons authorized to remain in a building after closing time are required to have proper identification at all times. Police and security personnel conduct frequent internal and external checks of buildings on campus.

Entry to Student Family Housing is controlled by code access through an electronic gate. Security guards are on duty during the evening hours to protect the safety and security of the complex and residents.

UNM maintains eight residence hall complexes on campus. Residence Hall perimeter doors are secured each evening and entry is controlled by key access. Each complex has evening on-duty staff to respond to resident needs and the Student Residence Center Desk is open 24 hours, seven days a week and serves as a service and emergency contact point for residents.

Resident Advisors are available in each unit to assist students. New residents are briefed on UNM and residence hall policies and on crime prevention techniques at orientation/floor meetings held for residents at the start of the semester. Further information may be obtained from the Residence Hall Handbook.

CRIME REPORTING

The UNM Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the UNM Police Department cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to other UNM campus security authorities, as identified below. Confidential reports of crime may also be made to State Crime Stoppers at 843-STOP (843-7867).

The UNM Police Department compiles and reports annual crime statistics to inform the University community about crime and related problems. Statistics are gathered from UNM Police Department reports and through consultation with the Albuquerque Police Department and the Bernalillo County Sheriff's Department, where appropriate. UNM also consults with other campus security authority offices to compile crime statistics including the Dean of Students Office, Residence Life Office, Student Activities Center, University Hospital, School of Medicine, UNM Research Park, UNM athletics team coaches and chartered student organization advisors. Reports of crimes made to these offices are also disclosed in the annual crime statistics.

The Pathfinder is also available on-line at <http://www.unm.edu/~sac/pathfind.html>.

SAFETY TIPS

We have instituted many programs at UNM to ensure your safety while on campus, but safety really begins with you. The following are some tips to help protect yourself from crime:

- If you go out for a late night snack or study break, go with a friend, not alone.
- Walk purposefully. Look confident. Watch where you are going. Be alert to your surroundings.
- Use well-lighted, well-traveled routes. Avoid short-cuts through isolated areas.
- Lock all doors and close all windows when leaving your car, whether it is for a few minutes or for several hours.
- Have keys ready when you approach your car. Check the car for intruders before entering and lock your door immediately after getting into your car.
- Always lock your bike or motorcycle when leaving it unattended, even if it is only for a few minutes. Use the U-shaped high security lock whenever possible.
- If you witness a crime, call UNM Police immediately.
- List only first initials and last name in telephone directories.
- Hang up immediately on obscene telephone calls.
- Don't keep large sums of money in your office, dorm room, study area or apartment.
- Lock doors and windows, even if you are just going out for a minute.

If you are a victim of a crime or become aware of any suspicious circumstances, call UNM Police immediately.

1. Arranging for extension of class assignment and examination due dates.
2. Assisting the victim in dropping courses or withdrawing from the University without academic or financial penalty if that is the victim's wish.
3. Arranging for the victim to move from one on-campus housing location to another. Specific requests for such changes should be directed to the Dean of Students Office (505-277-3361).

B. Extended University – Santa Fe

The Santa Fe Graduate Center will change a victim's academic situation after an alleged sexual offense if those changes are requested by the victim and reasonably available. Possible changes are the same as those indicated for the main campus. Specific requests for such changes should be directed to the Campus Administrative Office (505-438-1234).

C. Taos Branch Campus

The Taos Education Center will change a victim's academic situation after an alleged sexual offense if those changes are requested by the victim and reasonably available. Possible changes are the same as those indicated for the main campus. Specific requests for such changes should be directed to the Student Service Office (505-758-7667).

VIII. PROCEDURES FOR CAMPUS DISCIPLINARY ACTION

The University of New Mexico's Student Code of Conduct and Visitor Code of Conduct, which apply to the main campus and all branch campuses and educational centers, prohibit "any form of sexual assault including rape."

A. Main Campus

On main campus the Student and Visitor Codes of Conduct are administered by the Dean of Students Office. The University's Residence Hall policies also prohibit sex offenses. The Office for Residence Life administers a disciplinary system which addresses misconduct of residence hall students which occurs in the residence halls. A person who is a victim of a sex offense committed by a student, or a student who is a victim of a sex offense committed by a visitor to the University has the option of pursuing charges against the alleged perpetrator of the offense under the relevant Code of Conduct.

Victims of sex offenses are encouraged to report them to the appropriate law enforcement authorities and to meet with the University's Student Discipline Officer in the Dean of Students Office to discuss pursuing charges under the relevant policy.

A victim of a sex offense is permitted and encouraged to be accompanied at that meeting by a support person of their choice. Counselors from the Albuquerque Rape Crisis Center, Student Mental Health, Women's Center and the District Attorney's Victim Impact Program are available to accompany and assist the victim of a sex offense throughout the University's disciplinary process.

Under the University's Student Grievance Procedure and Residence Life Disciplinary Policies, the alleged victim of a sex offense and the alleged perpetrator are entitled to the same opportunities to have others present as advisors during disciplinary proceedings. Both the alleged

victim and alleged perpetrator will be informed of the final determination of a disciplinary proceeding with respect to the alleged sex offense and any sanction that is imposed on the accused. As described in The University's Student Grievance Procedure alleged victims in student disciplinary proceedings have rights which are protected throughout the discipline process. These rights are:

1. The right to have a person of their choice accompany them throughout their participation in the discipline process.
2. The right to submit a victim impact statement to the hearing officer or committee.
3. The right to have past irrelevant behavior excluded from the hearing determination. Because of the serious nature of the action, victims of sexual or physical assault also have these additional rights:
4. With a recommendation from a licensed mental health counselor, victims may testify from another room as long as it does not infringe upon the accused student's right to confront and question witnesses.
5. The right to be notified in writing of the final determination and any sanctions imposed as a result of the discipline process once a confidentiality agreement is signed.
6. The right to be informed of options to notify law enforcement authorities on and off campus as to the incident and to be assisted in doing so by campus officials.
7. The right to be informed of the option for any available assistance in making reasonable changes in academic and on campus living situations.
8. The right to be notified of existing counseling, mental health or student services for victims of physical or sexual assault.

The specific procedures by which Student and Visitor Code of Conduct Violations are resolved can be found in the Student Grievance Procedure published in The University of New Mexico Pathfinder.

B. Extended University – Santa Fe

Violations of the Student and Visitor Codes of Conduct at the Santa Fe Graduate Center are referred to the Dean of Students Office on Main Campus to be handled in the same manner as already described for Main Campus. Victims retain the same rights as those enumerated for the Main Campus. The phone number for Main Campus Dean of Students Office is 505-277-3361.

C. Taos Branch Campus

Violations of the Student and Visitor Codes of Conduct at the Taos Education Center are administered by the Student Services Office (505-758-2216).

A person who is a victim of a sex offense committed by a student, or a student who is a victim of a sex offense committed by a visitor to the center has the option of pursuing charges against the perpetrator of the offense under the relevant Code of Conduct. Victims of sex offenses are encouraged to report them to the Taos Police Department (505 758-2216 or 911) and to the CASDV Office (505-758-8082). Information regarding pursuing charges under the Student or Visitor Code of Conduct may be obtained by contacting the Student Services Office (505-758-7667).

A victim of a sex offense is permitted and encouraged to be accompanied at meetings with University officials by a support person of their choice. This support person may accompany and assist the victim throughout the University's disciplinary process.

Under the University's Student Grievance Procedure, the alleged victim of a sex offense and the alleged perpetrator are entitled to the same opportunities to have others present as advisors during disciplinary proceedings. Both the alleged victim and alleged perpetrator will be informed of the final determination of a disciplinary proceeding with respect to the alleged sex offense and any sanction that is imposed on the accused.

Victims in student disciplinary proceedings, and victims of sexual assault have the same rights that have been enumerated for the Main Campus.

The specific procedures by which Student and Visitor Code of Conduct violations are resolved can be found in the University of New Mexico Pathfinder.

POLICY ON ILLEGAL DRUGS AND ALCOHOL

Adopted by the President

August 3, 1990

Revised September 11, 1992

This Policy on Illegal Drugs and Alcohol is adopted pursuant to federal laws and because of the commitment of The University of New Mexico to an environment for the pursuit of its educational mission free of drugs and the illegal use of alcohol. Drug and alcohol abuse on campus poses a serious threat to the health and welfare of faculty, staff and students; impairs work and academic performance; jeopardizes the safety and well-being of other employees, students and members of the general public; and conflicts with the responsibility of The University of New Mexico to foster a healthy atmosphere for the pursuit of education, research and service.

This policy covers all property owned, used, leased or controlled by The University of New Mexico, or any other site where official University business is being conducted. "Controlled substances" means those substances in Schedules I through V of section 202 of the Controlled Substances Act, 21 U.S.C. 812, and implementing regulations, 21 CFR 1308.11-1308.15. Controlled substances include, but are not limited to, marijuana, cocaine (including "crack"), amphetamines, heroin, PCP, hallucinogens, and certain prescription drugs. Illegal uses of alcohol include, but are not limited to, serving, buying or drinking alcohol by a minor; assisting a minor or an intoxicated person to get alcohol; selling alcohol without a license and driving while under the influence. This policy is not intended to supersede or negate any existing policies on substance abuse, student or employee discipline, or any additional requirements imposed on The University of New Mexico or its students, faculty or staff by federal or state law.

I. Policy Statement

The unlawful manufacture, distribution, dispensing, possession or use of controlled substances or alcohol on UNM property or as part of any of its activities by any member of The University of New Mexico community faculty, staff or students is strictly prohibited.

As a condition of employment, all employees - faculty and staff - of The University of New Mexico shall abide by the terms of this policy. Violation of this policy shall result in disciplinary action, up to and including dismissal. For more detailed information, faculty should refer to the Faculty Handbook and / or contact the Faculty Grants and Contracts Office. Staff may refer to the University Business Policies and Procedures Manual and/or contact the Human Resources Department.

As a condition of continued registration and enrollment, any student of The University of New Mexico shall abide by this policy. Violation of this policy shall result in disciplinary action, up to and including expulsion. For more detailed information, students should refer to the Student Code of Conduct and related policies printed in the UNM Pathfinder and/or contact the Dean of Students Office.

UNM's response to any violation of this policy may include, as a total or partial alternative to disciplinary action, a requirement that the employee or student participate satisfactorily in an approved substance abuse treatment or rehabilitation program as a condition of continued employment or registration /enrollment. Any employee engaged in the performance of work under a federal contract or grant is required, as a condition of employment, to notify his/her supervisor if he or she is convicted of a criminal drug statute violation occurring in the workplace within five days of such conviction. The supervisor shall notify the University Counsel's Office. Failure of the employee to notify the supervisor shall be grounds for disciplinary action.

In recognition of the dangers of substance abuse in the workplace, The University of New Mexico shall maintain alcohol and drug-free awareness programs to inform members of the University community about the issues and risks of substance abuse, and about counseling, and treatment resources. The University shall assign responsibility for such awareness programs to specific administrative entities, which shall be provided sufficient resources to develop and maintain the programs. As a matter of policy, any referral, treatment, awareness or primary prevention programs established by The University of New Mexico shall play no role in enforcing or instituting possible disciplinary action.

II. Legal Sanctions for the Unlawful Possession or Distribution of Illicit Drugs and Alcohol

The penalties for even the most minor of violations of the Liquor Control Act can include fines of up to \$300, confiscation of property and imprisonment for up to seven months. More serious violations carry greater penalties, with larger fines and longer imprisonment.

Driving or using machinery after drinking or using drugs creates the risk that the user may injure or kill someone. This can result in homicide charges. License revocation and vehicle impoundment are also possible results of driving while under the influence of liquor or drugs. The minimum blood alcohol levels at which drivers' licenses are revoked in New Mexico are: .02% for those under 21 and .08% for those 21 and over. All drivers in New Mexico are presumed to be intoxicated at the .08% level.

In drug-related cases a court can permanently suspend eligibility for federal benefits, including financial aid. A criminal record can seriously hurt educational and career opportunities.

Penalties for illegal drug use can include significant fines and imprisonment. Penalties for the illegal sale of drugs are greater, and may include property confiscation. Alternative penalties for illegal drug or alcohol use may also include mandatory community service. Violation of laws by a foreign national may result in deportation.

Details on federal and state sanctions for the unlawful possession or distribution of illegal drugs are contained in the Policy on Illegal Drugs and Alcohol that appears on page 53 of the 2004-2005 UNM Pathfinder.

III. Health Risks Associated with Use of Illicit Drugs and the Abuse of Alcohol.

Excessive alcohol consumption and abuse of illicit drugs can lead to certain types of cancer, pathological changes in the liver, brain, heart and muscle which can lead to disability and death, addiction, birth defects, shortened life span, stomach ulcers, phlebitis, varicose veins, and other health problems. Alcohol and drugs are also a major factor in homicides, assaults, rapes, suicide, family and date violence. Alcohol is significantly involved in all types of accidents- motor vehicle, home, industrial, and recreational. Unintended pregnancies and sexually transmitted diseases are often associated with alcohol or other drug abuse, as well as relationship, academic or work problems.

For more information on the possible effects and health risks associated with the use of illicit drugs and alcohol, contact the Student Health Center Health Education Program (277 7947) or the UNM Campus Office of Substance Abuse Prevention (277-2795). Information on the possible effects and health risks associated with the use of illicit drugs and controlled substances is also contained in the Policy on Illegal Drugs and Alcohol that appears on page 52 of the 2002-2003 UNM Pathfinder.
