

NORTH GOLF COURSE COMMUNITY ADVISORY BOARD

COMPOSITION:

The North Golf Course Community Advisory Board shall be comprised of nine (9) representatives of organizations and individuals who, as neighboring residents, will be most affected by the project, who use the golf course and/or the periphery path, or whose unique knowledge of development, preservation or negotiation could be especially beneficial.

Matt Barnes, Vice President of the Associated Students of the University of New Mexico

Sara Koplik, President of the North Campus Neighborhood Association (Chair)

Cara McCulloch, A.I.A

Garret Price, VP, Pulte Homes

Paul Kienzle, J.D.

Tim Davis, Member North Golf Course Association

Ted Martinez, President Emeritus, Central New Mexico Community College

Mardon Gardella, President, Federation of University Neighborhoods

Norton Kalishman, MD, Program Director of McCune Foundation

UNM Staff – Andrew Cullen and Kim Murphy (non-voting)

CHARGE:

The Community Advisory Board will provide the President of the University of New Mexico, its Board of Regents, and any potential future developers with recommendations and the parameters for:

- Determining the footprint for a regulation nine (9) hole golf course;
- Enhancing and improving the North Golf Course and periphery jogging/walking/bike path including: water conservation, habitat restoration, utilization of native plant species, and sustainable golf course management techniques;
- Suggesting funding sources to cover enhancements and improvements;
- Establishing the North Golf Course as a teaching environment for sustainability, conservation, and habitat restoration; and
- Constructing a legal framework between the University and the people of New Mexico, to preserve the golf course and agreed upon green space and to determine the available footprint for UNM's future building needs.

Any agreement reached will pertain only to the North Golf Course.

TIMELINE:

The Advisory Board will work as expeditiously as possible, to bring about a resolution which is beneficial to all parties. Final recommendations will be submitted to the President of the University of New Mexico.
