

## *Curriculum Vitae*

**E. James Dixon**

### **CONTACT INFORMATION**

Home: 3139 Dietz Farm Circle NW  
Albuquerque, New Mexico 87107  
Phone: 505-345-2221

Office: Maxwell Museum of Anthropology  
MSC01 1050  
1 University of New Mexico  
Telephone: 505-277-4210  
FAX: 505-277-1547

### **EDUCATION**

Ph.D., Anthropology, Brown University, 1979.  
M.A., Anthropology, University of Alaska, 1972.  
B.A., Anthropology, University of Alaska, 1970.

### **CURRENT POSITIONS**

Director, Maxwell Museum of Anthropology, University of New Mexico  
Professor of Anthropology University of New Mexico  
Affiliate, Institute of Arctic and Alpine Research, University of Colorado Boulder  
Research Associate, Denver Museum of Nature and Science

### **PREVIOUS POSITIONS**

Curator of Archeology, University of Alaska Museum. 1974-1994  
Rank: Professor (Tenure awarded 1984)  
Instructor and Curator of Archeology, 1975-1979  
Assistant Professor and Curator of Archeology, 1979-1982  
Associate Professor and Curator of Archeology, 1982-1992  
Professor and Curator of Archeology, 1992-1994  
Acting Museum Director and Associate Professor, University of Alaska Museum,  
1988-1989  
Director, Alaska Quaternary Center, 1992-1993  
Curator of Archeology, Denver Museum of Natural History 1993- 2000  
University of Colorado Boulder, Research Affiliate, INSTAAR, 1995 – 2000  
Graduate Director Museum and Field Studies, Professor of Anthropology, and  
Fellow (Senior Research Scientist), Institute of Arctic and Alpine

## **MEMBERSHIPS**

American Association for the Advancement of Science  
Alaska Anthropological Association  
American Anthropological Association  
American Association of Museums  
American Quaternary Association  
Arctic Institute of North America  
Canadian Archaeological Association  
Colorado Archaeological Society  
Geological Society of America  
International Arctic Social Sciences Association  
International Congress of Prehistoric and Protohistoric Sciences  
Plains Anthropological Society  
National Geographic Society  
Society for American Archeology  
World Archaeological Congress

## **AWARDS**

1972 Marshall Fellow. Research at the National Museum of Denmark, Copenhagen.  
1996 National Endowment for the Humanities Fellow. Researching the early archeology of North America.  
2005 US Department of Agriculture Forest Service Partnership Award for Innovative and Creative Partnerships and Collaborations.  
2008 Professional Achievement Award, Alaska Anthropological Association.

## **GRANTS**

1971 Geist Fund Award. Archeological Investigations at the Gallagher Flint Station, North Slope, Arctic Alaska.  
1973 Arctic Institute of North America Research Grant  
1973 Haffenreffer Museum of Anthropology Collection Grant  
1973 Society of Sigma Xi Equipment Grant  
1973 International Research and Exchange Commission Travel Grant to the Soviet Union  
1974 Arctic Institute of North America Research Grant  
1975 State of Alaska Division of Parks Matching Grant  
1976 American Council of Learned Studies International Travel Grant to Nice, France (declined)  
1979 State of Alaska, Division of Parks Matching Grant, Porcupine River Archeological Survey

1979 National Geographic Society, Archeological Survey and Testing of Cave Deposits, Porcupine River, Alaska

**GRANTS (cont.)**

- 1980 State of Alaska Division of Parks Matching Grant, Porcupine River Archeological Survey (Phase II)
- 1980-81 National Geographic Society, 1980 Archeological Survey and Testing of Cave Deposits and Alluvial Sediments along the Porcupine River, Alaska
- 1982-83 Sabbatical leave. Writing and research. Travel to Venezuela, Peru and Mexico.
- 1988 National Science Foundation. Paleoenvironmental analysis of a late-Quaternary Cave deposit: eastern Beringia.
- 1990-91 Sabbatical leave. Writing and research. Travel to Australia and Thailand.
- 1992 Mellon Foundation Travel Grant, British Columbia, Canada.
- 1992 National Geographic Society, Cave Reconnaissance, Tongass National Forest, Southeast Alaska.
- 1993 Natural Resources Fund—University of Alaska. Prehistory and Paleocology of Southeastern Alaskan Karst, Tongass National Forest, Southeast Alaska.
- 1994 Colorado Historical Society. Documenting and Preserving Ice Age Archeological Sites.
- 1995 National Science Foundation. Quaternary Archeology and Geology of Southeast Alaska Karst.
- 1996 Colorado Historical Society. Lamb Spring Archeological Preserve: Resource Assessment.
- 1997 National Science Foundation. Late Quaternary Paleocology and Archeology of Alaska's Alexander Archipelago.
- 1999 National Science Foundation, Late Quaternary Archeology and Paleocology of Southeast Alaska, Phase 2.
- 2000 National Science Foundation, Educational Supplement. Late Quaternary Archeology and Paleocology of Southeast Alaska, Phase 2.
- 2000 National Park Service, Alaska Region. The Culture History of Beringia: An Archeological Synthesis.
- 2002 National Science Foundation, Archeology of Alaska Glaciers and Snowfields.
- 2001 National Science Foundation, Archeology of Alaska Glaciers and Snowfields, Phase II.
- 2002 Colorado Historical Society, Lamb Spring Phase III.
- 2003 National Science Foundation, Completing Archeological Research at On Your Knees Cave, SE Alaska.
- 2005 National Science Foundation, Research Supplemental Award. Completing Archeological Research at On Your Knees Cave, SE Alaska.
- 2005 Alaska Regional Forester's Partnership Award. For building cooperative partnerships with the US Forest Service and tribal governments in SE Alaska, in research at On Your Knees Cave (49-PET-408).
- 2006 National Science Foundation. Ice Patch Archeology. Wrangell - St. Elias,

2008 National Park and Preserve, Alaska.  
National Science Foundation. Gateway to the Americas. Marine  
Archeological Survey, SE Alaska.

## RESEARCH CONTRACTS

- 1971 Archeological Salvage Contract, Holmes and Narver, Inc. (acting on behalf of the Atomic Energy Commission), with J.P. Cook and C.E. Holmes. Archeological salvage of site 49-RAT-32, a large prehistoric Aleut Village Site. (\$37,633)
- 1975 Bureau of Land Management Research Contract, Bering Land Bridge Cultural Resource Study. Predictive modeling for site occurrence on the Bering continental shelf, marine archeological survey near St. Paul Island, and terrestrial survey, St. Matthew Island. (\$225,520)
- 1977a Project Coordinator and Principal Investigator with G.D. Sharma and S.W. Stoker, Bureau of Land Management Outer Continental Shelf Office, "Western Gulf of Alaska, Cultural Resource Study," probability modeling for archeological site occurrence on the outer continental shelf in the Western Gulf of Alaska. (\$52,000)
- 1977b Project Coordinator and Principal Investigator with G.D. Sharma and S.W. Stoker, Bureau of Land Management Outer Continental Shelf Office, "Beaufort Sea Cultural Resource Study," probability modeling for archeological site occurrence on the outer continental shelf in the Beaufort Sea. (\$146,000)
- 1978a Project Coordinator and Principal Investigator with G.D. Sharma and S.W. Stoker, Bureau of Land Management Outer Continental Shelf Office, "Lower Cook Inlet Cultural Resource Study," probability modeling for archeological occurrence on the outer continental shelf in Lower Cook Inlet and Northwestern Gulf of Alaska. (\$116,532)
- 1978b Project Coordinator and Principal Investigator, with G.D. Sharma and S.W. Stoker, Bureau of Land Management Outer Continental Shelf Office, "Compendium of Alaskan OCS Cultural Resource Studies." (\$204,531)
- 1978c Principal Investigator, U.S. Army Corps of Engineers, Alaska District, "Archeological Survey and Inventory of Cultural Resources Fort Wainwright, Alaska." (\$116,185)

## **Research Contracts cont.**

- 1979-85 Principal Investigator, Archeological Reconnaissance and Inventory for the Susitna Hydropower Project, Terrestrial Environmental Specialists, Acres American Inc., Harza-Ebasco, Alaska Power Authority. (\$2,337,755 exclusive of logistic support)
- 1989-90 Co-Principal Investigator, Over-the-Horizon Backscatter Project, Arctic Environmental Information and Data Center. (\$628,806)
- 1995 Principal Investigator. U. S. Bureau of Land Management. NAGPRA inventory of human skeletal remains housed at the Denver Museum of Natural History. (\$22,500)

## **UNIVERSITY TEACHING/INVITED LECTURES**

### **Faculty Teaching**

- Archeological Field School (6 credit hours)
- Arctic Prehistory (3 credit hours)
- Directed Thesis and Dissertation Research (variable credit hours)
- Field Methods in Archeology (3 credit hours)
- Geoarcheology (3 credit hours) with David M. Hopkins
- Individual Study and Museum Practica (variable credit hours)
- Individual Research: Field Collecting (variable credit hours)
- Introduction to Archeology (3 credit hours)
- Introduction to Museum Studies (4 credit hours)
- New World Prehistory (3 credit hours)
- The First Americans (3 credit hours)

### **Curriculum Development (1988-89)**

#### **Established the University of Alaska Museum Studies Program**

- MSM 211 Fundamentals of Museum Studies I (3 credit hours)
- MSM 212 Fundamentals of Museum Studies II (3 credit hours)
- MSM 311 Museum Administration (3 credit hours)
- MSM 312 Museum Collection Management (3 credit hours)
- MSM 487 Individual Study: Museum Practicum (3 credit hours)
- MSM 488 Individual Research: Field Collecting (3 credit hours)

### **Invited Lecturer/Speaker**

University of Washington, Quaternary Research Center Seminar Series, University of Washington, Seattle, WA (1988).

Faculty seminars, the Australian National University, Canberra, Australia and the University of New England, Armidale, Australia (1991).

**Invited Lecturer/Speaker (cont.)**

Quaternary Research Center, University of Waterloo, Ontario, Canada, and Western Ontario University, Ontario, Canada (1991).

The 8th International Abashiri Symposium, sponsored by the Hokkaido Museum of Northern Peoples, Abashiri, Hokkaido, Japan (1993).

Marie Wormington Memorial Lecture, Denver Museum of Natural History, (1994).

University of South Dakota, Sponsored by the Vice Chancellor for research and the Departments of Anthropology and Geology (1998).

Anchorage Museum of History and Fine Art, Anchorage, Alaska. National Archeology Week, sponsored by the National Park Service and the Museum (1999).

Keynote Speaker, Loveland Stone Age Fair. "The First Peopling of the Americas" Sponsored by the Loveland Archaeological Society, Loveland, Colorado.

Mesa Verde National Park, sponsored by the National Park Service, Cortez, Colorado (1999).

The Yukon Science Institute and the Yukon Beringia Interpretive Center, Whitehorse, Yukon Territory, Canada, Guest Lecturer (2000).

Crow Canyon Archaeological Center, Cortez, Colorado. Keynote speaker, Annual meeting of the Board of Trustees and Chairman's Council (2000).

Cranbrook Institute of Science, Bloomfield Hills, Michigan. Cranbrook Science Lecture Series (2000).

University of Tennessee, Department of Anthropology, Visiting Lecture Program (2000).

American Quaternary Association, Biannual Meeting, Anchorage Alaska (2002).

National Park Service, "Beringia Days" Anchorage, Alaska (2002).

Colorado Archaeological Society, Indian Peaks Chapter, University of Colorado Museum (2002).

Sealaska Heritage Institute (Tlingit and Haida Regional Tribal Government) invited speaker (2002).

Geological Society of American, Pardee Symposium Presenter, Seattle, Washington (2003).

National Park Service, "Beringia Days" Guest Speaker, Anadyr, Russia, September (2003).

Centennial Lecture, "Peopling of the Americas", University of Colorado Museum (2003).

"The First Americans", Quaternary Lecture Series, University of California, Santa Cruz (2003).

"The First Colonization of the Americas", Denver Museum of Nature and Science, sponsored by the Colorado Archaeological Society, Denver Chapter (2003).

Community Lecture Series in the communities of Petersburg, Juneau, Ketchikan, and Craig Alaska. Sponsored by the US Forest Service and the National Science Foundations (2004).

Keynote Speaker, Paths Across the Pacific III, Sitka, Alaska (2004).

National Park Service, Invited Session Chair and Speaker, "Beringia Days", Anadyr, Russia (2005).

#### **Invited Lecturer/Speaker (cont.)**

Keynote Speaker, Loveland Stone Age Fair. "The First Colonization of the Americas" Sponsored by the Loveland Archaeological Society, Loveland, Colorado (2005).

Keynote Speaker, IX International Congress of the Association for Latin American Biological Anthropology. "The Peopling of the Americas: the Coastal Route." Ouro Preto, MG, Brazil (2006).

Keynote Speaker, 2007 Annual Meeting of the Wyoming Archaeological Society. Sarasota, Wyoming.

#### **FIELD WORK AND PROFESSIONAL EXPERIENCE**

- 1967 Field Assistant, Archeological salvage and erosional study, Point Hope, Alaska (August)
- 1969 Field Assistant, archeological excavations at Healy Lake, Alaska (summer)
- 1969-70 Limited analysis of Healy Lake material (winter)
- 1970 Crew Chief, survey and salvage of right-of-way of proposed haul road and pipeline from Brooks Range to Prudhoe Bay, for Alyeska Pipeline Service Company (summer)
- 1970-71 Analysis of previous summer's field work
- 1971-72 Co-assistant investigator, archeological salvage site 49-PAT-32, Amchitka Island, Alaska (May-January)
- 1971 Director of excavations at the Gallagher Flint Station, North Slope, Arctic Alaska (July-August)
- 1972 George C. Marshall Memorial Fellow, for study in Denmark (research at the National Museum of Denmark, Copenhagen) (February-May)
- 1972 Director of excavations at Old Fish Camp, middle Yukon River region, Alaska (June-July)
- 1972 Assisted in geological mapping and survey upper Sagavanirktok River Valley, Alaska, with T. Hamilton (August)
- 1973 Analysis of Old Fish Camp archeological materials (winter).
- 1973 Studied archeological collections housed in Irkutsk and Nova Sibersk, USSR (May).
- 1974 Director of excavations at Old Fish Camp, middle Yukon River region, Alaska (summer)
- 1973-74 Analysis of Old Fish Camp archeological materials (winter)

- 1974 Alyeska Archeologist, director of excavations at the Gallagher Flint Station and other sites along the Sagavanirktok River. Directed field crew of 30 excavators and foremen (summer)
- 1975 National Park Service archeologist attached to Anthropology Department, University of Alaska. Helped establish (14 h) program for Alaskan Native Historic sites land claim settlement (January)
- 1975 Reconnaissance of archeological sites reported to the University of Alaska Museum
- 1975 Archeological site distribution probability modeling in the State of Alaska
- 1975-76 Research relating to the human occupation of the Bering Land Bridge during Pleistocene and early Holocene times (winter)
- 1976 Executed first marine archeological survey conducted in the Bering Sea, aboard the University of Alaska's R/V ACONA (June)
- 1976 Director of archeological survey of St. Matthew Island, Western Bering Sea (July).
- 1976 Participant (Northwest regional representative) in SELGEM workshop, sponsored by the National Association of Systematics Collections and the University of Kansas, Lawrence, Kansas.
- 1978 Director of archeological survey of Porcupine River Caves, Eastern Interior Alaska
- 1978 Principal Investigator, Archeological Reconnaissance of Ft. Wainwright and surrounding Army Lands. and surrounding Army Lands.
- 1979-81 Principal Investigator, Archeological Survey and Testing Cave Deposits, Porcupine River, Alaska
- 1979-85 Principal Investigator, Archeological Reconnaissance and Inventory for the Susitna Hydropower Project, Middle Susitna River Valley, Alaska.
- 1989-90 Co-Principal Investigator, Over-the-Horizon Backscatter Project, Arctic Environmental Information and Data Center.
- 1993-97 Principal Investigator, Archeological Reconnaissance of Caves in the Tongass National Forest, Southeast, Alaska.
- 1994-95 Archeological Reconnaissance of Paleoindian Archeological Sites in the High Plains and Rocky Mountains.
- 1996-2005 Principal Investigator, Lamb Spring Archeological Preserve: Resource Assessment.
- 1997-2006 Principal Investigator, archeological excavations and analyses at 49-PET-409 (On Your Knees Cave), Prince of Wales Island, Southeast, Alaska.
- 2000-2005 Principal Investigator, the archeology of glaciers and ice patches, Wrangell St. Elias National Park and Preserve, Alaska.
- 2006-2011 Principal Investigator, Ice Patch Archeology, Wrangell St. Elias National Park and Preserve, Alaska.

**SUMMARY OF FIELD WORK AREAS**

Rocky Mountains:	Paleoindian Site Reconnaissance
High Plains:	Lamb Spring Archaeological Preserve

Northwest Coast:	Caves of the Tongass National Forest
Northern Alaska:	Chukchi Sea Coast, Sagavanirktok River Valley
Interior Alaska:	Tanana, Porcupine, and Middle Yukon Rivers
Southcentral Alaska:	Susitna River Valley, Chinitna Bay

## **SUMMARY OF FIELD WORK AREAS, continued**

Aleutian Islands:	Amchitka Island, Unalaska Island
Bering Sea:	St. Matthews Island, Marine Archeological Survey (off shore from St. Paul Island)
Russian Far East	Collection research/site visits, Magadan, Khabarovsk, Primorsky, Chukotka and Kamchatka regions, Russian Federation.

## **MUSEUM EXHIBITS**

### **University of Alaska Museum**

Petroglyphs: Southeast Alaska (permanent)  
 Archeological Segment Pleistocene Exhibit (permanent)  
 Aleut Hunting Implements (permanent)  
 Masterpieces in Early Eskimo Art (permanent)  
 Archeological segment History of Alaska Exhibit (permanent)  
 Archeological segment Introduction to the U. of Alaska Museum (permanent)  
 Children's Toys from Archeological Sites (permanent)

### **Denver Museum of Natural History**

A Legacy of Discovery (permanent)  
 Anasazi Ceramics (temporary)

### **University of Colorado Museum**

Arctic and Museum and Field Studies Components, Centennial Exhibit  
 (temporary)

## **Exhibit Assistance to other Institutions**

Smithsonian Institution, Washington, D. C.  
Newark Museum, Newark, New Jersey.  
Field Museum of Natural History, Chicago, Ill.  
State Ethnographical Museum of Holland.  
American Federations of Arts.  
Anchorage Museum of History and Art  
Numerous local museums in Alaska and Western U.S.

## **Exhibit Planning**

- 1986 Cultures of Western Coastal Alaska: A Proposal for a Major Exhibit, University of Alaska Museum. Fairbanks, Alaska.
- 1995 "The Human Journey", A Plan and Proposal for a Permanent Exhibit at the Denver Museum of Natural History Presenting Human Evolution, Global Colonization and Cultural Development, Denver, Colorado.
- 2005-06 Planning consultation for the proposed "Alaska Hall", Anchorage Museum of History and Art, Anchorage, Alaska.

## **FILMS AND VIDEOS**

- 1996 Technical Advisor, *Lamb Spring: A Summer of Assessment*. Produced by the Denver Museum of Natural History. David Baysinger, Producer.
- 1996 Technical Advisor, *Adventures of the Quest: White Rock, Blue Ice*, by Quest Australia Productions for the Discovery Channel, Andrew and Liz Wight, producers.
- 1999 Technical Advisor, *In Search of History: The First Americans*. Produced by MPH Entertainment, Inc. for the History Channel, Steve Muscarella, producer.
- 1999 Technical Advisor *The Mystery of the Americans*, Produced by MDTV, for NOVA and the Public Broadcasting System, Mark Davis, producer.
- 2000 Technical Advisor, *The First Americans: The Mongolian Route*. The Korean Broadcasting System, Gin Ki Woong, producer.
- 2004 Technical Advisor, *America's Stone Age Explorers*. Providence pictures, Produced for NOVA, 2004.

- 2002 Technical Advisor, Paleontology: What Lies Beneath. The Lamb Spring Project. A DC8 Television Production. Produced by Steve Capstick for Douglas County Television.
- 2007 Technical Advisor and Co-producer, Kuwóot yas.éin: His Spirit Was Looking Out from the Cave. Producers. E. James Dixon, Terrence Fifield, Chuck Smythe, Ted Timrick, and Rosita Worl. Funded by the Sealaska Heritage Foundation, the National Science Foundation, USDA Forest Service. Ted Timrick, Spoford Films technical producer/editor.
- 2009-10 Technical Advisor, National Geographic Society Television Production. Naked science Series. Surviving Ancient Alaska. KPI Productions.
- 2009-10 Technical Advisor. "Finding America" a proposal for a documentary film to the National Endowment for the Humanities. Richard M. Pettigrew, P.I. Archaeological Legacy Institute, Eugene, OR.

#### **BOOKS (peer reviewed)**

- 1993 Dixon, E. James  
*Quest for the Origins of the First Americans*. University of New Mexico Press, 156 pages, including 36 illustrations, foreword, acknowledgements, table of contents , dedication, and index.
- 1999 Dixon, E. James  
*Bones, Boats and Bison: Archeology and the First Colonization of Western North America*. 322 pages, including 91 illustrations, 4 tables, foreword, acknowledgements, table of contents , dedication, and index. (second printing 2001). University of New Mexico Press.

In preparation *Archeology, Climate, and Culture Change in Beringia*, first draft completed, 8 chapters, 84 illustrations, 211 pages.
