- To print ALL documents that are scanned:
- Check the box next to the document icon.
- From the Toolbar, select Options/ Print Selected Items.

Having difficulties printing multiple page scanned documents...Make sure your browser is configured as follows:

For Windows XP

- From the Internet Explorer browser main menu select **Tools, Internet Options**
- From the **Security** tab, select **Internet**, then **Custom Level**
- Under the **ActiveX controls and plug-ins** section, enable **Automatic prompting for ActiveX controls** and enable **Run ActiveX controls and plug-ins** (see screenshots)
- Close all Internet Explorer windows for changes to take effect

For Windows 2000

- From the Internet Explorer browser main menu select **Tools, Internet Options**
- From the **Security** tab, select **Internet**, then **Custom Level**
- Under the **ActiveX controls and plug-ins** section, enable **Run ActiveX controls and plug-ins** (see screenshot)
- Close all Internet Explorer windows for changes to take effect
