

Rocky Mountain Regional Conference 2015

Order of Bridge Competition

Bridge Competition: 1:30PM, April 10, 2015 – Auxiliary Gym inside Johnson Gym, UNM Campus.

Official Rules for Bridge Competition: see our website www.unm.edu/~asce/

There will be 2 zones for this part of the bridge event. Each side will have a construction area for timed builds and a loading station where bridges will be weighed as well as load tested. Bridges, after the timed build, will be carried to the loading station where they will be weighed then loaded. After the loading steel has been safely removed, the bridges will be carried over to an area designated as a breakdown area to be disassembled and placed back on their carts. There will be a map in the Registration Brochure to explain directions of how schools are to enter and exit the Auxiliary Gym as well as a diagram of the floor plan for the gym.

Order of Each zone will be as follows:

Zone 1	Zone 2
Brigham Young University	South Dakota School of Mines and Technology
Colorado State University - Fort Collins	New Mexico Institute of Mining and Technology
United States Air Force Academy	University of New Mexico
Colorado School of Mines	University of Utah
Utah State University	University of Colorado - Denver
Metropolitan State University of Denver	University of Wyoming
New Mexico State University	University of Colorado - Boulder
