

This event is where all chapters introduce themselves to their competitors. It gives each chapter a chance to show what they have been doing over the last year. This can include, but is not limited to, the volunteering their chapter has done, what speakers they have had come to their meetings, general information about the size of their chapter and how involved they are in their community. This event is usually presented by a chapter officer (president, vice president, treasurer, secretary). The use of visual aids is not mandatory but encouraged.

Time limit: 5 minutes.
