

Religious Studies 264

1. Students will be able to explicate a position, argument, concept, or idea from a primary text clearly and fairly. Students give a fair interpretation when they are faithful and charitable to the text.
(Relates to UNM/HED Area V, Competency 3)
2. Students should develop and support own argument. The student is expected to evaluate the material in the explication. This evaluation is to be thoughtful, reflective and critical.
(Relates to UNM/HED Area V, Competencies 1, 2, 4)
3. Students should write a coherent essay that includes an introduction, thesis statement, accurate content, grasp of conceptual distinctions, and strong conclusion. Student uses good grammar and style.
(Relates to UNM/HED Area I, Competencies 2, 3, 4)
