September 6, 2022

Dear Director:

As of today, our registration is full!

We are excited to have all the current registered bands with us and still accepting application to be put on our wait list. If any of our current bands withdraw their application, we will call the applications on our wait list in the order they are received. **Please note, for waitlist, you will be added onto the list of bands starting at 8:00 a.m.**

The 2022 Fiesta will be held **Saturday, October 15, 2022** at University Stadium in Albuquerque, New Mexico. The event is sponsored by the University of New Mexico Bands and remains one of the most prestigious marching band events in the Southwest.

As we plan for this event we will be following all health protocols required by Bernalillo County and the State of New Mexico. We will communicate those protocols to you as they are updated. Please understand that, due to the ongoing pandemic, limitations may be placed on spectator numbers and seating, and our traditional routing schedule may be adjusted to ensure the safety of performing ensembles and create social distance within the stadium.

We hope to see you in Albuquerque! If you would like to register, please fill out the accompanying registration packet. Registration closes on September 19, 2022. At that time **ALL paperwork (such as Announcer forms and Synchronization forms) must be submitted as well.**

If you have any questions regarding the operation of the event, please contact me at simochad@unm.edu. All inquiries regarding registration should be directed to the UNM Bands Office at (505)277-8998 or to our program coordinator at bands@unm.edu.

We are so excited to see you and your students! It’s time to “get the bands back together!”

Sincerely,

Mikal M. Thompson  
Program Coordinator, UNM Bands  
University of New Mexico
