

University of New Mexico Intellectual Property Waiver Form

Name: _____
Title: _____

Department: _____
Semester: _____

I certify that this outside activity is consistent with University policies, including the Conflicts of Interest in Research Policy, and the Policy Concerning Outside Employment. I understand that the Policy Concerning Outside Employment restricts faculty outside employment to no more than one workday per week during the contract period, and prohibits the use of University facilities, equipment, and/or personnel without the prior written approval from the head of the unit responsible and from the Controller, and that reimbursement for such use may be required. Outside activities may not interfere with the discharge of the faculty member's full obligation to the University.

_____ will be able to perform this outside work without interfering with my duties to UNM.

I will not knowingly use or disclose any UNM intellectual property to the outside entity without first notifying STC and the UNM Patent Administration Office.
