

National Cybersecurity Awareness Campaign

STOP.THINK.CONNECT.

Timothy Fraser

U.S. Department of Homeland Security

Wed, Oct 26 • 4pm - 6pm

UNM Anderson School
Jackson Student Center

~ Open to the Public ~

The Anderson School of Management invites you to a presentation with Timothy Fraser, Director of the National Cybersecurity Awareness Campaign, to discuss the importance of increasing the American public's awareness and understanding about CyberSecurity, and the role that academia, public, and private industry play in preparing our nation's next generation cyber workforce and leaders

As part of the Department of Homeland Security's Stop. Think. Connect. public education campaign, the Cyber Citizen Forum is bringing together representatives from the Department, as well as leadership, faculty, and students from the Anderson School, to discuss the challenges and opportunities we face as a nation when it comes to our Internet safety and how efforts including the Campaign can help elevate awareness and encourage the public to take increased measures to protect themselves online.
