

Directions to Ana and Marcus' Wedding in Taos, New Mexico

The wedding ceremony will be located at the "Chalet Rio" cabin in the Taos Ski Valley. To reach the cabin, drive from the center of Taos following State Road 3 (Taos' main street) through the outskirts of town to the intersection with Highway 150 (look for the sign to Taos Ski Valley). Turn right and follow Highway 150 through the village of Arroyo Seco and ascend into the tall pines. About two miles past the village you'll enter a narrow canyon at the Highway 230 intersection sign as you continue on toward Taos Ski Valley. Follow the Rio Hondo on your right for about four miles to Taos East Condominiums also on the right. Immediately after you pass the Taos East Condominiums' sign, there is a left curve and the 11-mile marker. At the end of this curve, approximately one-tenth mile after the mile marker, make a right turn and cross the small bridge. Chalet Rio is immediately on the left.

The reception will be located at the cabin further up the lane. There will be very little parking space in front of the cabin, so please try to park along Hwy 150, and walk to the cabin. The reception will be located primarily outdoors, and it will get cool in the evening. There are lots of free areas to camp near the cabins, as well as throughout the Ski Valley.
