The Office of Graduate Studies PROGRAM OF STUDIES FOR THE MASTER'S DEGREE

Submit one completed form to OGS.

The original is retained by OGS; a copy is returned by OGS to the graduate unit after approval.

Please print legibly or type this form completely. Leaving any question blank will result in a delay of approval.

Courses used for a master's degree may not be more than 7 years old at the time of graduation; departments may impose stricter limits.

DEADLINE: This form must be submitted to the Office of Graduate Studies no later than the last day of the semester prior to the one in which you intend to graduate. Early submission to your department or graduate unit is strongly recommended, as your faculty will need time to approve the form. Failure to submit this form on time will delay your graduation.
