

# Math 100/193 Three Ring Binder Fall 2014

These are the sections you will need in your binder. Make sure you have all of them.

1. Class Info

This should include your syllabus, your outline if you print it, your usernames and passwords, progress reports, peer contact form, highway to success form, etc.

2. Notes

- a. This should include your notes from the any work you do in ALEKS or videos you watch, activities you do, etc. Also, if you make any worksheets in ALEKS or print out any of the worksheets off of the webpage, put them here.
- b. Everything in this section should be very neatly written and well labeled. You should also put a labeled flag for each unit. Flags will be available in my office.

3. Test Anxiety Worksheets/Activities

All of your test anxiety quizzes and their redos should be here.

4. Review

This section should include mock finals with their work. It should include any other review material as well.

5. Topics per Week Forms

Put your completed Topics per Week Forms here.

6. Game Boards

We will periodically play games in CTM 193. The boards should be put here when you are done. They are useful for review and for projects.

7. Projects

Any work or final products of your CTM 193 projects should go here.

8. Other CTM 193 Assignments

Any work we do that isn't a game, test anxiety redo, brain teaser or project should go here.

9. \*Extras\*

If there is anything else you want or need in your binder, feel free to make a tab for it.

10. Paper

You should always have blank paper with you.
