

Name: _____

Portfolio Requirements

Math 193 Fall 2014

Item to Be Included	Not Included	Not Up to Expectations	Meets Expectations
<i>Cover Letter (required for consideration)</i> The directions for this are posted on the webpage. If you do not include a cover letter, you will get a zero on your portfolio.	0	2.5	5
<i>Fifteen Redos of Test Anxiety Quizzes</i> Pick fifteen of the redos you have done for our Test Anxiety Quizzes and include them. Your best ones will most likely be from the quizzes where you did the worst.	0	15	30
<i>One Objective's Worth of Notes from ALEKS</i> This should include the notes from all of the instruction sections, and your scratch work from all challenge quizzes, assessments and tests, your scratch work from practices, reviews, etc. See the list of objectives allowed on our webpage.	0	5	10
<i>Forty Note Cards</i> The note cards do not need to be from any particular objective. Any forty will do as long as they are neat and organized and correct.	0	5	10
<i>Essay from Project</i> Include the final essay from the budget project or the essay project. If you are unsure of the format or content check out the directions for the project on our webpage.	0	10	20
<i>Five Word Problem Write-Ups</i> Include five word problem write-ups from the word problem write-ups we did in class.	0	10	20
<i>Organization</i> Your portfolio should be in a folder with tabs and tines. The cover letter and essay should all be typed, and anything hand written should be clear and legible. Everything should be clearly labeled.	0	2.5	5

Total out of 100: _____
