STUDENT: If you wish to receive a new student loan, you must sign the statement below. In addition, you must submit to our office an **original certification** from a legally licensed physician stating that your condition has improved and you:

1. Have the ability to engage in substantial gainful activity, or
2. You can attend school.

This is to certify that I am aware that my new SFA loan can't later be canceled on the basis of any present impairment unless that condition substantially deteriorates to the extent that the definition of total and permanent disability is again met.
