New Hyperion Report Available January 24, 2009.

In a continued effort to provide you with tools that assist you with your everyday processes Financial Services is pleased to announce a new Hyperion report.

The report is located in the 'Finance Production Reports' folder of Hyperion.

FRH0005 - Closeout Workflow for Funds Ending on Contracts and Grants

The report was developed to provide information on Workflow close outs and the status of those close outs. The report can be generated by Organization, Principle Investigator, Account Administrator or Fiscal Monitor.

The Finance reporting team is interested in your feedback on this report, please submit the Report Feedback Form, located at the FSM website: www.unm.edu/~fsm or you can send you comments to the Financial Services Support Center by submitting an AAQ via FastInfo or by calling us at 277-3457.
