

Abstract Guidelines

Abstract Due: May 12 with Paper (15 points)

Your abstract should be around 250 words (around one page). In your abstract, explain your argument and what your paper is about. The goal of this assignment is to concisely and clearly explain your project so that an outside reader will understand what you are doing and the point you are trying to make.

I will return your abstract when I return your paper. You will then revise it and include it with your portfolio draft of the paper.
