

Romance Novel Worksheet

1. What are the names of the primary male and female characters? Are there any other characters that play a prominent role in your novel?
2. Describe the primary female character. What does she look like? How would you describe her personality? What is her background?
3. Describe the primary male character. What does he look like? How would you describe his personality? What is his background?
4. What is the central conflict between the characters? In other words, what is the source of the sexual tension between the two?
5. How does each character react to the conflict (discuss both)?
6. How does the tension get resolved in the novel? In other words, how does it all turn out in the end?
7. Do you find the romance plausible? In other words, could a relationship develop the way the one in the novel does? How realistic do you think your novel is? (Be specific about the things you think do and do not reflect reality.)
