

October 28, 2008 Open House

On October 28, 2008, the University of New Mexico and the Albuquerque Metropolitan Arroyo Flood Control Authority celebrated 20 years of partnership by inviting many from the local community to come see the newly opened Centennial Engineering Center Hydraulics Laboratory.

Brief talks were given by Executive Engineer, John Kelly; Chair of the AMAFCA Board, Danny Hernandez; Dean of the School of Engineering, Joe Cecchi; Chair of the Department of Civil Engineering, Arup Maji; and Associate Professor/Lab Director Julie Coonrod.
