Enchanted Corvairs Trip Report

Tri-State Meet, Montrose, Colorado, June 3-4-5, 2016

TARMO: Getting the 1966 turbo Corsa ready to trailer from Santa Fe to Montrose. It is Thursday morning, June 2nd.

TERRY: Steve & Rita in their white 1966 Corsa coupe led the way, followed by Pat & Vickie in their red 1964 convertible and Lube & Bill in the Great White Hope. We stopped in Bloomfield for lunch and a brief rest, then on to Durango where we stopped for gas, and then through Silverton and Ouray. There was a delay a little before Ouray due to road construction, about 15 minutes, then on to Montrose. We arrived at 6:15 in the evening. A long but beautiful trip.

BILL: The convoy is getting ready to leave Albuquerque.

BILL: *These photos show Lube's car at the pass. I think this was one of three passes we went through.*

STEVE: *The 1966 Corsa Coupe got pretty good gas mileage -- 25.9 MPG over the entire trip!*

VICKIE: *At The Banquet there was a playing card on each table. The table with the highest number got to get their food first. I turned over an Ace! Yea, no standing in a long line.*

Those from CNM included:
Pat & Vickie Hall Drove Corvair
Steve, Rita Gongora Drove Corvair
Lube Lubert Drove Corvair
Curtis Shimp Drove Corvair
Tarmo Sutt Trailered Corvair
LeRoy & Emma Rogers
Larry & Kathy Blair
Brenda & Hurley Wilvert
Mark & Elizabeth Domzalski
Terry Price

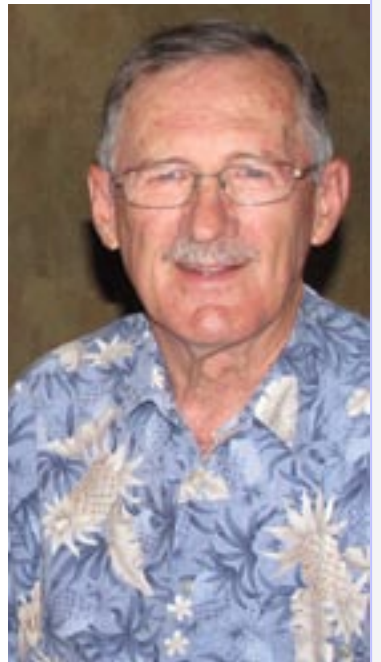

VICKIE: *Jon & Debra Anderson are members of CNM too, having joined in 1992 when they lived in Albuquerque. Mark Domzalski gave a talk about Francis Boydston and the history of the Boydston Award. Ed Halpin, also a member of CNM, received the 2016 Boydston Award. Congratulations to Ed!*

VICKIE: *The best late model Corvair was Ed Halpin's car. The best Corvair power: Steve Goodman's Kit Car.*

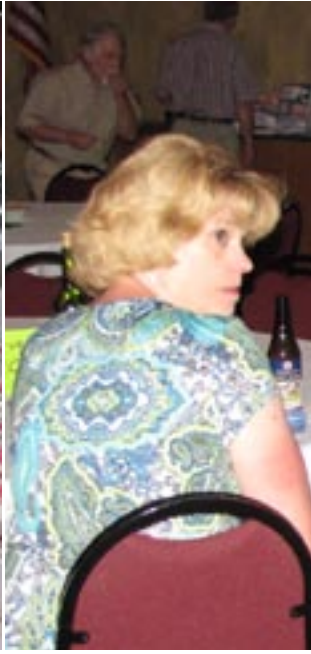

BILL: *This photo shows a string of various Corvairs at the car show.*

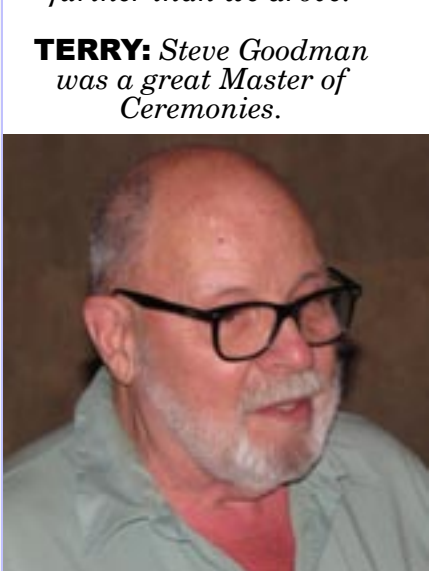

TARMO:
*Santa Fe
was well
represented
at the
Tri-State this
year.*

VICKIE: *Curt Shimp drove here from Silver City, even further than we drove!*

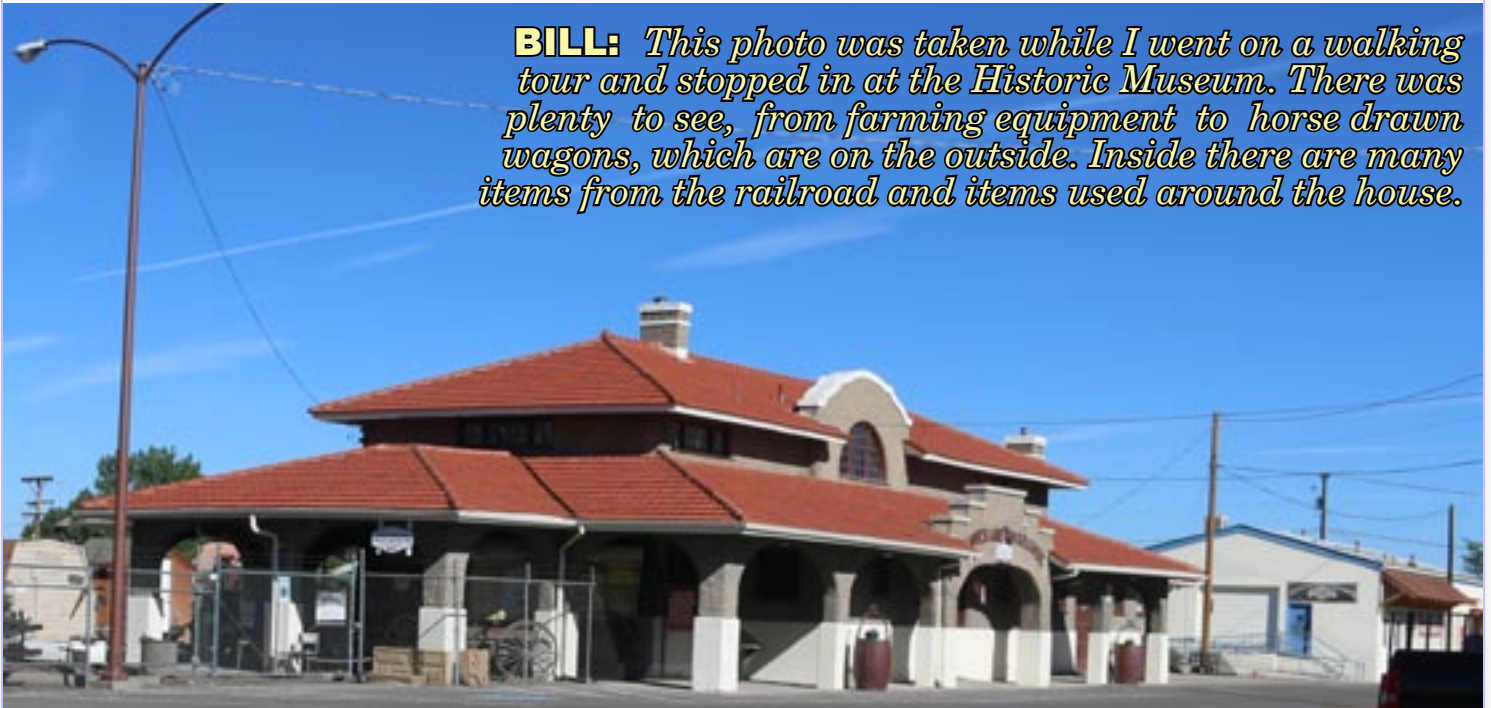

TERRY: *Steve Goodman was a great Master of Ceremonies.*

BILL: *This photo was taken while I went on a walking tour and stopped in at the Historic Museum. There was plenty to see, from farming equipment to horse drawn wagons, which are on the outside. Inside there are many items from the railroad and items used around the house.*

DAVID:
A Corvair that was not registered for the show still got lots of looks: David Langlois brought a beautiful 1960 coupe.

STEVE: *When we were on the way back home, just getting to Ouray, I noticed my car's odometer turning 66,000 miles. You may ask: is it the car's miles or the engine's miles?*

TERRY: *On Sunday morning it was time to head back to Albuquerque. Pat & Vickie, Lube and I took a southern route by Telluride and through Farmington. It took about the same amount time as it did coming up but we had no road construction delays.*
