

June 3, 2007 - Jeff Potter rides 100 miles around Lake Tahoe as part of a team of 2,000 "Team In Training" volunteers who collectively raised 8.5 Million dollars for the Leukemia and Lymphoma Society to be used in research for a cure and for improved treatment!

May 22, 2007 - Good friend and Coach Mike Hussey rides with Jeff on a "tune-up" 100 mile Santa Fe Century ride. Notice the red chili man on his helmet, that was our team symbol at Lake Tahoe too.

A view out the airplane window on the flight out to California of the Sierra Nevada Mts.

NM teammates in their Red Chile jerseys getting ready for a practice ride on June 2.

A portion of the group stop at Emerald Bay overlook for a mug shot. (L - R: Steve Mulryan, Debbie "Road Mom" Webster, Me, Ramona Thomas, Sharon ? from Los Alamos and Robert Milne)

Ride Day - 6 AM the NM group assembles for our official start

A self-portrait at the 60 mile food stop. Beautiful view in background, great weather, good food.

2:30 PM - Me at the finish line feeling sweaty, proud and very ready to celebrate! Total time on bike: 7 hrs, 0 minutes.

The great support team of Pam Mulryan and Annie Hooten doing their "hula dance" to root on every rider.

The next day I get to fish the nearby Truckee River with my brother Jared.

Finally, I would like to express my thanks to all the wonderful financial support everyone gave me. I raised about \$ 5,200 dollars, made many new friends and comrades on the road and have personally seen the true warmth of the human spirit take shape through this incredible event.

As a group, the New Mexico / El Paso Chapter raised over \$ 100,000!

Sincerely,

Jeff

This is me early in the ride after the steepest climb portion as we rode around beautiful Emerald Bay.
