

**HONORS PROGRAM
LATIN AMERICAN STUDIES
UNIVERSITY OF NEW MEXICO**

The Latin American Studies (LAS) program at UNM offers an Honors option for LAS majors. Students who wish to be considered for Honors must have an overall GPA of at least 3.0 and submit this form for review no later than the last semester of their junior year. Students who are accepted will be required to complete LTAM 497—Independent Studies (3 credit hours) and LTAM 499—Senior Honors Thesis (3 credit hours) and successfully write and orally defend a Senior Honors Thesis.

Students who pursue Honors in Latin American Studies work closely with a faculty advisor to develop and write the Seniors Honors Thesis. Students take LTAM 497 and 499 under the direction of the chosen faculty advisor.
