Dear Mr. Hossain:

Please accept my sincere congratulations on being nominated for the 2013 Sarah Belle Brown Community Service Award. It is apparent from the quality of this year's nominees that The University of New Mexico is fortunate to have individuals who exemplify UNM's mission of community service.

This year is a particularly difficult year to select an award recipient due to the strength of all of the nominations received. Even though another nominee has been selected to receive the award this year, your commitment and hard work on behalf of UNM's mission and our greater community deserves recognition and celebration.

I look forward to seeing you at this year's award reception, along with the folks who supported your nomination, as we honor all of this year's nominees. The reception is scheduled for Monday, November 4, 2013 from 4:30 to 6:00 pm in the McDavid Room at The Pit. If you have not had an opportunity to RSVP, please do so by calling 277-3066 or by emailing [RSVP@unmfund.org](mailto:RSVP@unmfund.org), with the names of your guests.

With warm regards,

Robert G. Frank  
President
