**Part(s):**  2 [TravelGrantReimbursementForm.pdf](#) application/pdf 37551 KB 

Dear Md. Mottaleb Hossain,

SPIE has received more funding to allocate additional Student Travel Grant reimbursements to authors who presented at Optics + Photonics last month in San Diego. On behalf of SPIE and the Symposium and Conference Chairs of the Optics + Photonics symposium, it is my pleasure to inform you that you have been awarded an SPIE Student Travel Grant in the amount of \$400.

Please note that this grant is contingent on you submitting a full-length manuscript for SPIE Paper 8816-34.

Please scan and email me full receipts for your hotel accommodations, airline ticket, and/or ground transportation along with the completed reimbursement form attached. Once we receive your receipts, SPIE will process your grant and process your reimbursement.

Kind regards,

Megan Artz
