1. ****ACCEPTANCE AND REJECTION.** If prior to final acceptance, any goods or services are found to be defective or not as specified, or if the University is entitled to revoke acceptance of them the University may reject or revoke acceptance, require Seller to correct without charge within a reasonable time, or require delivery at an equitable reduction in price, at the University's option. Seller shall reimburse the University for all incidental and consequential costs related to unaccepted goods or services. Notwithstanding final acceptance and payment, Seller shall be liable for latent defects, fraud, or such gross mistakes as amount to fraud. Acceptance of goods or services shall not waive the right to claim damages for breach of contract.
 2. ****AGREEMENT.** This Purchase Order is the sole and entire Agreement between the parties; any documents incorporated into this Agreement are listed explicitly on the front side of this Purchase Order, or are incorporated by implication by the terms of this Purchase Order. Any terms inconsistent with or in addition to this Purchase Order proposed by Seller are deemed rejected unless agreed to in writing by an appropriate University official.
 3. ****ASSIGNMENT.** This Purchase Order is assignable by the University. Except as to any payment due hereunder, this Purchase Order is not assignable by Seller without written approval from the University.
 4. ****CHANGES.** The University may make changes within the general scope of this Purchase Order by giving notice to Seller and subsequently confirming such changes in writing. If such changes affect the cost of, or the time required for performance of this Purchase Order, an appropriate equitable adjustment shall be made. No change by Seller shall be recognized without written approval of the University. Any claim of Seller for an adjustment under this Paragraph must be made in writing within thirty (30) days from the date of receipt by Seller of notification of such change. Nothing in this Paragraph shall excuse Seller from proceeding with the performance of the Purchase Order as changed hereunder.
 5. ****CONFLICT OF INTEREST.** Seller shall disclose to the University Purchasing Department the name(s) of any University employee or member of the Board of Regents who has a direct or indirect financial interest in the Seller or in the proposed transaction. A University employee (or Regent) has a direct or indirect financial interest in the Seller or in the proposed transaction if presently or in the preceding twelve (12) months the employee/Regent or a close relative has an ownership interest in the Seller (other than as owner of less than 1% of the stock of a publicly traded corporation); works for the Seller, is a partner, officer, director, trustee or consultant to the Seller, has received grant, travel, honoraria or other similar support from the Seller, or has a right to receive royalties from the Seller. Seller shall file a Conflict of interest Disclosure form with the University Purchasing Department.

In the event testing is required prior to acceptance, the discount time shall begin upon completion of the tests and acceptance.

7. ****ELIGIBILITY FOR PARTICIPATION IN GOVERNMENT PROGRAMS.** Each party represents that neither it nor any of its management or any other employees or independent contractors who will have any involvement in the services or products supplied under this Agreement, have been excluded from participation in any government healthcare program, debarred from or under any other federal program (including but not limited to debarment under the Generic Drug Enforcement Act), or convicted of any offense defined in 42 U.S.C. Section 1320a-7, and that each party, its employees and independent contractors are not otherwise ineligible for participation in federal healthcare programs. In such event, the University may otherwise secure the materials, supplies or services ordered, and Seller shall be liable for damages suffered by the University thereby, including incidental and consequential damages. 26. ****GRAMM-LEACH-BLILEY ACT:** Pursuant to the Gramm-Leach-Bliley Act and the regulations set forth at 16 CFR Part 314, the University of New Mexico ("University") requires its Service Providers to implement and maintain appropriate safeguards for the protection of Customer Information. Accordingly, the Service Provider shall implement and maintain a comprehensive information security program that contains administrative, technical and physical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of confidential Customer Information that it creates, receives, maintains, or transmits on behalf of the University. In addition, the Service Provider will require and ensure that any of its agents, sub-contractors, or sub-consultants, to which it provides confidential Customer Information of the University, implement appropriate security measures to protect confidential Customer Information of the University.

Service Provider shall not use or disclose covered data and information received from or created on behalf of the University except as permitted or required by this Agreement, as required by law, or as otherwise authorized in writing by the University. Upon becoming aware of a security breach in which University Customer Information is used or disclosed in a manner not authorized or covered by this Agreement, including any reasonable belief that an unauthorized individual has accessed a database containing covered data and information, or in violation of any applicable state or federal laws, Service Provider will report to the University any security incident immediately upon being aware of such a breach and take such corrective steps/action to remedy the breach as requested by the University and required by law.

Upon termination, cancellation, expiration or other conclusion of this Agreement, Service Provider shall return to the University covered Customer Information and data unless the University requests in writing that such Customer Information and data be destroyed. Service Provider shall complete such return or destruction not less than 30 days after the conclusion of this Agreement. Within such 30 day period, Service Provider shall certify in writing to the University that such return or destruction has been completed. To the extent return or destruction is not feasible; this Agreement shall remain in full force and effect.

Service Provider means any person or entity that receives, maintains, processes, or otherwise is permitted access to Customer Information through its direct provision of services to a financial institution. The Gramm-Leach-Bliley Act broadly defines "financial institution" as any institution engaging in the financial activities enumerated under the Bank Holding Company Act of 1956, including "making, acquiring, brokering, or servicing loans" and "collection agency services". Because higher education institutions participate in financial activities, such as processing student financial aid and student loans, FTC regulations consider them financial institutions for purposes of the Gramm-Leach-Bliley Act.

Customer Information means any record containing nonpublic information as defined in 16 CFR 313.3(n), about a customer of a Financial Institution, whether in paper, electronic or other form that the University has obtained from a customer in the process of offering a financial product or service including offering student aid and loans to students as defined in 12 CFR 225.28. Any and all Customer Information provided by the University to the Service Provider or which the Service Provider acquires through its own efforts in rendering or providing any goods or services under this Agreement, shall be considered confidential and held in strict confidence and shall only be released to the Service Provider's own personnel, agents, sub-contractors and sub-consultants only to the extent necessary to provide or perform the goods and/or services required by this Agreement. Such information shall not be released by the Service Provider to any other person or organization without the prior written consent and approval of the University.
