

**2018-2019 School of Engineering  
Incoming Freshman Scholarship Application  
(For current H.S. Seniors)**

**PRIORITY DEADLINE: February 1, 2018** (Engineering Scholarships open to Incoming Freshmen only)  
**GENERAL DEADLINE: June 1, 2018** (Engineering Scholarships open to all students admitted in the School of Engineering at UNM). *If you submit an application by February 1<sup>st</sup>, you do not need to re-apply by June 1<sup>st</sup>.*

**Scholarship Eligibility Requirements**

1. Student must be a current H.S. Senior
2. Student must have a minimum 3.0 cumulative GPA (on a 4.0 scale)
3. For most awards, student must have a minimum 22 in ACT-Math or 510 in SAT-Math (Most recent ACT/SAT Math score will be considered). However, THERE ARE ALTERNATIVES to this requirement, contact us for details.
4. Student must be interested in majoring in Engineering or Computer Science at the University of New Mexico
5. Although not required at the time of application for this scholarship, in order to be considered eligible to compete for an UNM-Engineering scholarship, students *must be* admitted into UNM *and* the UNM- School of Engineering by the time of the scholarship selection. As part of the scholarship pre-screening process, the School of Engineering will review all scholarship applications received. Students already in the UNM system who meet minimum requirements for admission into the UNM School of Engineering will be automatically admitted as Incoming Freshmen in the Pre-major Program in each department and their scholarship applications will be forwarded to the Engineering Scholarship Selection Committee.

**IMPORTANT NOTE:**

**This is not an application for UNM Admissions or UNM Scholarships. You MUST apply directly to UNM and UNM Scholarships:**  
 The UNM Admissions' Application is available at <http://www.unm.edu/apply/>  
 The UNM Incoming Freshman Scholarship Application is available at [scholarships.unm.edu](http://scholarships.unm.edu)

**Application Package – Checklist**

- APPLICATION FORM:** Please complete and **sign** the scholarship application form.
- ESSAY:** In approximately 300 words describe how you became interested in the field of Engineering or Computer Science and how your study of this field will contribute to your long-term career plans.
- TRANSCRIPTS:** Unofficial High School Transcript and SAT/ACT Transcript, AND College Transcript IF taking college courses while attending High School. If you are taking AP courses, AP test scores will be evaluated in order to obtain college credit. For minimum AP test scores required please refer to the Admissions Section of the most recently published UNM Catalog at: <http://www.unm.edu/~unmreg/catalog.htm>
- LETTER OF RECOMMENDATION:** (1) Letter from a teacher OR a school counselor who can discuss your leadership, academic and personal achievement, as well as your potential for future success.
- EXTRACURRICULAR ACTIVITIES:** Include a list of previous awards/honors, scholastic achievements, memberships, offices held (and duration), volunteer and community service activities (2 pages max).
