To be considered for a NSF scholarship for Engineering or Computer Science majors, the following information and certifications/consent are needed. Please ensure to fill all blanks below as appropriate.

- Each program scholar has to join *at least* one learning community (LC) within the program. There are four LCs listed below. Place a number from 1 to 4 in the box next to each LC below to indicate your preference in which LC you would like to join (1 = most desired, 4 = least desired). A student is not guaranteed to be placed in their most desired picks. Also, list the number of LCs you would like to join with the understanding that you will be fully committed to participating in the activities of at least the base (or main) LC that you will be placed in. Other than being committed to one LC, participating in other LCs is optional. By signing below you certify that you understood this condition on this scholarship in the event you are selected as a recipient:

Aerospace Engineering

Bioengineering

Green/Renewable Energy

High- Tech Materials
