NSF Scholarship Application Deadline: August 15, 2018

The University of New Mexico (UNM) 2018-2019 NSF Scholarships for Computer Science and Engineering Students

Deadline: August 15, 2018 UP TO \$5,500 per academic year

Eligibility

To be eligible for these scholarships, you must:

- Be a United States citizen, national, refugee or permanent resident alien at the time of application;
- Demonstrate financial need, defined for undergraduate students by the US Department of Education rules for need-based Federal financial aid (eligibility determined through a FAFSA application. If you have questions, please check with the UNM Financial Aid office);
- Be pursuing a Bachelor of Science (B.S.) degree in at least one of the following disciplines:
 - > Computer Science
 - Engineering: including Chemical, Civil, Computer, Construction, Electrical, Mechanical, or Nuclear engineering; and students who have been admitted in the School of Engineering as pre-major (intending to major in Engineering or Computer Science)*
 - * Transfer students from two-year colleges to UNM or High School students admitted to the SOE (based on their ACT/SAT or AP scores) are also eligible as long as they are pursuing one of the above majors.
- Be enrolled full-time (a minimum of 12 credit hours) in any of the above fields during the semester receiving the scholarship; and,
- Demonstrate academic potential or ability by having a minimum cumulative GPA of 3.0.

Instructions for Submitting the Scholarship Application

- 1. You only need to submit one application package to be considered for the NSF scholarship programs.
- 2. Please attach the following documents to your application:
 - <u>Unofficial</u> transcript (from the UNM Registrar's or your most recent school) that includes Spring/Summer 2018 grades
 - Personal Statement of approximately 500 words describing yourself, why you have chosen this career path and your future educational and career goals (double-spaced).
 - Most updated resume
 - 2 letter(s) of recommendation. At least one from a professors/teacher and/or academic advisor who can discuss your leadership, academic and personal achievement, as well as your potential for future success. Letter(s) of recommendation from employer(s) may be accepted if employment is engineering, science or technical field. The letters need to be submitted in a sealed envelope that is signed on its back by the recommender or e-mailed directly by the recommender to nsfstem@unm.edu by August 15.
- 3. Retain a copy of the application for your records.
- 4. To ensure application is complete, we strongly suggest submitting all documents in one envelope to:

NSF Scholarships
Engineering Student Success Center
MSC 01 1145 / Centennial Engineering Center, Room 2080
1 University of New Mexico
Albuquerque, NM 87131-0001
