

Vistas/WebSAM Log-In Instructions (for students)

To see your assignments and due dates, receive important announcements, and communicate with your instructor, you need to have an account for the Vistas, Third Edition MAESTRO Supersite / Web-SAM.

If you have an existing account, you can login with your username and password at <http://vistas.vhlcentral.com> (the link will open in a new window) and redeem your new passcode.

Follow these directions to create an account, redeem your Supersite / Web-SAM passcodes, and enroll as a student in your instructor's course.

INSTRUCTIONS

1. Go to the Student Registration page (the link will open in a new window) or go to: <http://vistas.vhlcentral.com/?registration>
2. On the "Already have an account?" screen, follow the on-screen instructions. Select the choice that best applies, then click continue to move to the next step
3. On the "Login information" screen, follow the on-screen instructions. You will be asked to either
 - a. Enter a username and password if you already have an existing MAESTRO account for another textbook Supersite. Click Verify after entering the requested information. Once you receive a boxed, red confirmation message that the information you entered is valid, click Continue to move to the next step.
 - b. Or enter a username and email address if you do not have an account or are not sure. Click Search after entering the requested information. Once you receive a boxed, red confirmation that the information you entered or chose is valid, click Continue to move to the next step.
4. On the "Instructor or student" screen, select student, then click Continue to move to the next step.
5. On the "Enter your passcode" screen, you can redeem passcodes for different sections of the Supersite. Be sure to read the on-screen instructions carefully. After entering your new Supersite passcode and clicking Redeem, wait for a boxed, red confirmation that the passcode is valid. You may now enter your new Web-SAM passcode and click Redeem. After the confirmation message appears, click Continue to move to the next step.

6. On the "Confirm information" screen, you need to review your account information and enter your personal information. When done, click Continue to move to the next step.

7. On the "School Region" screen, you will find your school by first selecting the school type, and then by selecting the state in which your school is located. Click Continue to move to the next step.

8. On the "School Name" screen, select your school from the list of schools provided. Click Continue to move to the next step.

9. From the list of available courses on the "Course information" screen, select your instructor's course and section. Be sure to select the proper section so you receive credit for your work. Click Continue to move to the next step.

10. You are now at the "Complete" screen. Click the Print link to print a copy of your account information for future reference.
