Revised 06/09/2010

Adult Education Center
Statement of Responsibility
for Computer Use

All users of the computer labs at UNM-Valencia Campus and other computer labs used for UNM-Valencia Campus classes are responsible for knowledge of and adherence to the following regulations:

1. Users will conduct themselves in an orderly manner that is considerate of others.
2. Computer lab facilities and resources will be used for UNM-Valencia Campus Projects ONLY.
3. Using lab computers to access chat lines and offensive material (pornography, hate literature, etc.) is strictly prohibited.
4. Users will not adjust, reconfigure, or attempt to repair hardware or software IN ANY WAY! Users will not copy, change, or destroy any copyrighted software or any other material not expressly their own. *Under The State Computer Crimes Act, a person who intentionally and without authorization accesses, alters, damages, copies or destroys any computer system or data stored within is subject to criminal prosecution on charges ranging from misdemeanor to third degree felony. Such conduct can also lead to suspension!*
5. Users MAY NOT use any software or hardware from outside the lab.
6. Users will provide their own storage materials. Any files stored on hard drives may be erased at any time by lab employees. The Student Folder is also available for temporary storage of files on the local area network. These files are deleted at the end of each semester or may be deleted at any other time. Please do not rely on the Student Folder for permanent storage.
7. If asked to leave by the lab supervisor, staff person, or in their absence, a lab aide, users will do so immediately. Complaints and other communications may be made to the ABE Manager or Coordinator after leaving the lab.
8. The lab area is restricted to adults only. The *only* exception is for children who are enrolled in a class offered by Community Education or other child-related functions supported by UNM-Valencia.
9. Viruses are commonly found on campus computers; it is the users' responsibility to check their disks for viruses.
10. Protect our equipment! FOOD and DRINKS are NOT allowed in the computer lab at any time.

Remember that our tutors are here to help you. If you have questions about using the computers or any of the software, please ask a tutor. If your questions will take more than a few minutes, please make an appointment to see a tutor.

I agree to follow the guidelines in the above Statement of Responsibility while using the computer labs at UNM-Valencia Campus and using computers belonging to UNM-Valencia Campus. I understand that if I do not follow the guidelines, I will not be able to use the computers, I may also be suspended and I may be prosecuted for any illegal activities.
