

## ADULT EDUCATION CENTER UNDERAGE AGREEMENT FORM

The purpose of the Adult Education Program is to expand educational opportunities for all adults 16 years of age or older who have not completed the 12th grade or whose level of academic achievement is below that which is necessary to successfully function in society. Instruction is participatory and designed to meet the needs of the students. Incoming students are tested in math and reading. Results of this placement test are used to design a program of study for each student. All students are placed into at least one class or referred to Valencia County Literacy Council for tutoring to improve reading skills before entering classes.

All textbooks and instructional materials are provided free of charge; students should be prepared for class by bringing paper and a writing utensil. Textbooks and booklets may not be marked in unless otherwise directed by the instructor. Textbooks **MUST** be returned upon completion of the course or withdrawal from the program.

Regular attendance is a requirement for all students of the Adult Education Center. Students who cannot attend classes twice a week should make special arrangements with the instructor or a tutor. Students who need to miss a class or an appointment must call the instructor or the reception desk to inform the instructor or tutor. Students who fail to maintain contact will be dropped from the program.

All students are expected to demonstrate mature behavior, including respect for others. Upon enrolling in the Adult Education Center, students are making a commitment to work on achieving their goals. Being part of an adult program, students accept the responsibility for their learning, self-motivation and self-discipline. Failure to act responsibly and respectfully will result in disciplinary action. For more information, see the UNM-VC Student Code of Conduct.

***I understand and agree to comply with the statements above. I also understand that by signing this agreement information about my attendance and progress can be shared with the parent/guardian indicated below.***
