How to Login to the UNMVC Network with Novell Networking

If the machine is already logged in click Start>Log Off and at the prompt click Log Off

Once you see this screen to the left, depress the **Ctrl-Alt-Delete** keys simultaneously

Click on Advanced

Nov	ell Client or Windows∗	⇒ł~N	Novell
Username:	YourUserName		
Password:	YourPassword		
Worksta	tion only		
NDS S	cript Windows Dial-up		
Tree:	maple	Tree	s
	Your.Context.Here	Conte	xts
Lontext:			

In the NDS tab make sure that **TREE** is **maple**

Make sure the **server** is either **10.40.4.1** or **Eagle**

Click on **Context** and select your Functional Area. This is the area/department where you work.

Novell Client for Windows*				Novel	
Username:	Yourl	JserName			
Password:	Your	Password			
NDS Sc Windows	ript Wi	ndows Dial-up			
Local use	mame:	YourUserNa	me		
Essent		A DESERT		~	

Click on the Windows Tab

Enter you UNM Valencia User Name, this is issued by UNMVC Computer Support and is usually your first initial and your last name.

Enter your password in the password field. Remember that this field **is** case sensitive. If you have forgotten your password please call the helpdesk (925-8911) to have it reset. The helpdesk does not keep password lists.

Enter your User Name in the **Local Username** Field

Make sure that **DESERT** is selected in the **From:** field

Click **OK**. You should now be logged on to the network. If you are unable to login please not any error messages and call the help desk at 92**5-8911**.
