### Drive to Durango

A group of CNM members met at the Valero gas station near Sandia Casino early on Friday morning to make a "Corvair Caravan" to Durango. Although Lube's 1963 four-door was making rather a racket, the trip was completed with no more trouble than a few precautionary cool-down stops along the way. A few members were already at the Hampton Inn and others would arrive later.

Transportation: **1965 Corvair Monza, 1990 Honda Civic, 1996 Mazda Miata and 2013 Honda Civic**. When I'm 64, I'll get by with a little help from my friends.

Some rode the Durango-to-Silverton narrow-gauge railroad. Others drove the fifty miles to Silverton, stopping to take photos of the mountains and lakes and old buildings.

On Friday more nice Corvairs arrived. Some were to be seen at the Hampton Inn, others went to other hotels in town. Saturday was the day for the car show where 35 or 36 Corvairs gathered for photos and admiring inspection.

Lube Lubert took out the rear axles and bearings to inspect and re-grease in an effort to find a persistent knocking sound. Actually, the bad bearings survived to get him safely back to Albuquerque on Sunday.

Who knows the story on this quilt? A relic from an earlier Tri-State?

Scenes from the banquet. There are far too many photos to show all of them. These are representative. On Page 12, a few of the many awards and prizes handed out during the banquet.
